ROUGH TERRAIN FORKLIFT

MSCET-3500

3.5 t rated

Rated capacity	3.5 t
Lift height	3,000 mm standard; 6,000 mm optional
Drive	Four-wheel drive, articulated or rigid frame
Ground Clearance	300 mm
Service Weight	7350 kg
Length	4835 mm
Width	1910 mm
Tyre	Pneumatic 12.00-16.5, aggressive tread

ROUGH TERRAIN FORKLIFT

MSCET-3500S

3.5 t rated

Rated capacity	3.5 t
Lift height	3,000 mm standard; 6,000 mm optional
Drive	Four-wheel drive, articulated or rigid frame
Ground Clearance	300 mm
Service Weight	7350 kg
Length	4835 mm
Width	1910 mm
Tyre	Pneumatic 12.00-16.5, aggressive tread

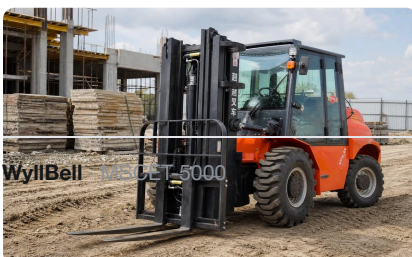

ROUGH TERRAIN FORKLIFT

MSCET-5000

5.0 t rated

Rated capacity	5.0 t
Lift height	3,000 mm standard; 6,000 mm optional
Drive	Four-wheel drive, articulated or rigid frame
Ground Clearance	300 mm
Service Weight	8700 kg
Length	5150 mm
Width	2000 mm
Tyre	Pneumatic 12.00-16.5, aggressive tread

ROUGH TERRAIN FORKLIFT

MSCET-7000

7.0 t rated

Rated capacity	7.0 t
Lift height	3,000 mm standard; 6,000 mm optional
Drive	Four-wheel drive, articulated or rigid frame
Ground Clearance	300 mm
Service Weight	10500 kg
Length	5570 mm
Width	2120 mm
Tyre	Pneumatic 14.00-20, aggressive tread

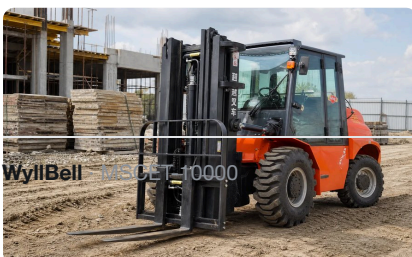

ROUGH TERRAIN FORKLIFT

MSCET-10000

10.0 t rated

Rated capacity	10.0 t
Lift height	3,000 mm standard; 6,000 mm optional
Drive	Four-wheel drive, articulated or rigid frame
Ground Clearance	300 mm
Service Weight	13200 kg
Length	6200 mm
Width	2300 mm
Tyre	Pneumatic 14.00-20, aggressive tread

MANUFACTURER

Who builds these machines

WyllBell is the export brand of Shandong Mingsheng Machinery Group, founded in 2009.

Frames, masts and counterweights are fabricated in-house; engines, hydraulics and controllers come from named suppliers, disclosed on request.

Machines are shipped to more than 150 countries. Every unit is load-tested before packing, and a test record travels with the machine.

Founded	2009
Certification	CE (machinery directive), ISO 9001
Export markets	150+ countries and regions
OEM / ODM	Available: paint, decals, nameplate, packaging
Spare parts	Wear parts stocked for every model sold
Factory visit	Welcome; pickup from Jinan or Qingdao arranged

Specifications are the standard build and may be changed at order. Figures are subject to confirmation on the order acknowledgement.
