SKID STEER LOADER

ME380-2

200 kg rated

Lift height	2,000 mm
Operating weight	1630 kg
Rated Capacity	200 kg
Engine Power	18.4 kW (25 hp)
Width	1050 mm
Hydraulic Flow	45 L/min

SUITED TO Construction · Agriculture · Landscaping · Warehouse · Recycling

Standard build figures. Final specification is confirmed on the order acknowledgement.

SKID STEER LOADER

ME380-3

200 kg rated

Lift height	2,000 mm
Operating weight	1630 kg
Rated Capacity	200 kg
Engine Power	18.4 kW (25 hp)
Width	1050 mm
Hydraulic Flow	45 L/min

SUITED TO Construction · Agriculture · Landscaping · Warehouse · Recycling

Standard build figures. Final specification is confirmed on the order acknowledgement.

SKID STEER LOADER

ME480

300 kg rated

Lift height	2,000 mm
Operating weight	1870 kg
Rated Capacity	300 kg
Engine Power	27.2 kW (37 hp)
Width	1135 mm
Hydraulic Flow	45 L/min

SUITED TO Construction · Agriculture · Landscaping · Warehouse · Recycling

Standard build figures. Final specification is confirmed on the order acknowledgement.

SKID STEER LOADER

ME1200

500 kg rated

Lift height	2,350 mm
Operating weight	2350 kg
Rated Capacity	500 kg
Engine Power	36.5 kW (50 hp)
Width	1305 mm
Hydraulic Flow	68 L/min

SUITED TO Construction · Agriculture · Landscaping · Warehouse · Recycling

Standard build figures. Final specification is confirmed on the order acknowledgement.

SKID STEER LOADER

ME35

500 kg rated

Lift height	2,350 mm
Operating weight	2350 kg
Rated Capacity	500 kg
Engine Power	36.5 kW (50 hp)
Width	1305 mm
Hydraulic Flow	68 L/min

MANUFACTURER

Who builds these machines

WyllBell is the export brand of Shandong Mingsheng Machinery Group, founded in 2009.

Frames, masts and counterweights are fabricated in-house; engines, hydraulics and controllers come from named suppliers, disclosed on request.

Machines are shipped to more than 150 countries. Every unit is load-tested before packing, and a test record travels with the machine.

Founded	2009
Certification	CE (machinery directive), ISO 9001
Export markets	150+ countries and regions
OEM / ODM	Available: paint, decals, nameplate, packaging
Spare parts	Wear parts stocked for every model sold
Factory visit	Welcome; pickup from Jinan or Qingdao arranged

Specifications are the standard build and may be changed at order. Figures are subject to confirmation on the order acknowledgement.
